Cairndow Community Childcare Limited aims to ensure that any vulnerable people, whether children, young people or vulnerable adults, are protected and kept safe from harm while they are with staff and volunteers in this organisation. In order to achieve this we will ensure our staff and volunteers are carefully selected, screened, trained and supervised.

**Selection**

- A list of criteria will be made when a volunteer is required to ensure equal opportunity for all applicants.
- All volunteers to our organisation will complete a personal profile form.
- Short listed applicants will be asked to attend interview.
- Short listed applicants will be asked to complete a volunteer agreement.
- At interviews all applicants will be asked the same standard questions. They will then be graded on each answer and the person/s who scores highest will be offered the position if they fill all the other criteria sought.

**Screening**

- Where relevant to the post, volunteers will be asked to agree to an appropriate disclosure. Disclosures will be requested prior to the applicant taking up post.
- Medical report/letter.

**Training**

- Volunteers will receive induction training, which will give an overview of the organisation and ensure they know its purpose, values, services and structure.
- Relevant training and support will be provided on an ongoing basis, and will cover information about their role, and opportunities for practicing skills needed for their duties.
- Training on specific areas such as health & safety procedures, identifying and reporting abuse, and confidentiality will be given as a priority to new volunteers, and will be regularly reviewed.

**Supervision**

- All volunteers will have a designated supervisor who will provide regular feedback and support.

It is the responsibility of the staff and committee to monitor, evaluate and review the above arrangements and to adjust them according to need.
